Shining the Light of Christ in Midtown Memphis

A Message From The Chairman

May 2012

New Beginnings

As most of you are aware, Central has requested the assistance of the Disciples Board of Church Extension in order to focus on things we must do now to secure the future of our church.

Again, most of you were present during the meeting in February when the representatives of Church Extension and our regional minister, Glenn Stewart, made a detailed inquiry concerning the present condition of our church. They promised a detailed report of their findings, which is now in its final stage of preparation. They proposed to return to discuss these findings with us in detail.

These discussion meetings are now scheduled for May 9 and 10, 2012, at 5: 30 p.m. each evening. The May 9 meeting is open to the entire congregation and anyone else who is interested in the future of our church. The May 10 meeting is for individuals who agree to serve as small group leaders. We will serve a dinner before each evening meeting.

We are looking for 3 or 4 individuals who would be willing to lead six small group meetings over a period of weeks. The main qualifications for these individuals is the ability to follow a curriculum as outlined by the New Beginnings team, and to lead discussions with an open mind. We don't have all of these positions filled, so I request that anyone who is interested in leading a group contact me.

We have made much progress since the beginning of the year as Central in developing new programs and strengthening old ones. We request that everyone plan to participate in the meeting on May 9 and to participate in the small groups thereafter, so that we can continue in the progress of our church and its mission.

Respectfully,
John Johnson

Gloria Jeffery enjoyed an Easter visit from her sister and Her brother-in-law, Martha and Phil Dean from Monrovia, Md.

Also on Easter Sunday, we welcomed Noah and Lily Ploderer, along with their father.

Donnie Benton is receiving home health care and therapy at home following her recent hospital stay.

Martha Bishop fell at home and suffered a broken foot.

John and Linda Johnson welcomed a new granddaughter, Bralyn Olivia Lott born April 18th to the proud parents, Brad and Lindi Lott.

Connie Bennett is a proud mother! Her son Michael Malone was awarded the life saving award at the recent Police Department Awards ceremony.

How do you like Mark Rutledge's new hair color? He has a leading role in "Veronica's Room," a production of a new theater group, Working Title Productions. Mark is one of the founders of the group.

From a recent offertory thought by Micki Artman...

“So many times we offer thanks to God for what we have received. How often do we stop to thank God for what we have the opportunity to do? We have the chance every day to make a difference in people’s lives and fill the needs that others have. Let us give thanks today to God for our opportunities.”

BUILDING from the BOARD

There are even more exciting happenings to report from the Aril 19th General Board Meeting! Highlights are as follows:

- We were only a little over \$100 under budget in income. Expenses were around \$3000 under budget, and we had a total net increase of \$3000.
- Gutters have been replaced on the north side of the Church.
- Windows on the north side of Walker Hall have been paid for and will be replaced as soon as they are delivered.
- An unplanned expense of around \$11,000 to replace an air conditioning unit in the Fellowship Hall area has occurred, and plans are underway to manage this challenge.
- Shrubs have been removed from Penny’s Garden at no cost to the Church--thanks to Mark Rutledge, and the canvas is ready for design.
- The Church’s Web Page is almost complete, due to George Goodnight’s perseverance, with links to a Sermon page on You Tube, a wedding page with pictures and costs, a staff page, a contact page with email addresses and phone numbers.
- The pulpit is filled through the end of May and the Pulpit Committee continues to move forward in their search for a minister.
- Thanks to George Goodnight and his tireless efforts to improve the visibility of our church, articles and photos of the special events have been published in The Commercial Appeal. The two events include the Adams Avenue Camerata Men’s Ensemble and the sword fighting scene from Shakespeare’s “King Lear.”
- The Wedding Committee is moving forward with enthusiasm toward developing a plan that will serve both as a source of revenue and an evangelism opportunity.

Respectfully submitted,
Linda Johnson,
Board Secretary

PENTECOST, SUNDAY

May 27th, come to church and wear red, because it is Pentecost Sunday. Pentecost is the birthday of the Church. We will have red balloons and a birthday cake. We will have a special offering for new churches. Rev. Rachel Woodall will bring our Pentecost message.

Mark Rutledge loading food to take to the food pantry at Grace-St. Luke's.

Katrinka Hall and her new baby that she rescued. That is one lucky dog as we know Katrinka will give it a wonderful home.

"LET THERE BE MUSIC"

Our church organ seems to be under the weather and sometimes has a mind of it's own. Sherry Richardson can testify to this fact.

Repairing the organ would not give us any long term guarantees. Instead of repairing it, Building and Grounds will be looking for a new electric piano that can also sound like an organ.

Wes Goodnight has already "prepared the way" by removing two small pews next to the church organ and installing a platform for the piano.

Our pianist, Amy Lindeman, will soon be able to look across to the choir instead of looking up from the sanctuary floor. Donations have been received to help fund the new electric piano for these individuals.

Ice Cream Social

Tuesday, April 24th, was the Last Bible Study meeting for the ladies class from Redeemer Presbyterian Church. They have concluded the season study and we look forward to hosting them in the fall. The ladies and their children were treated to an Ice Cream social presented by Mark Rutledge and John Bennett. The frozen treats were provided by Richard and Daphne Brown's catering service, Scoops Ice Cream. Below are pictures of the children and their mothers enjoying themselves. That's one way to keep the Fellowship Hall cool!!
